

REMARKS

Claims 1-10 are pending in this application. By this Amendment, claims 1-10 are amended, as is the specification. The amendments introduce no new matter because they are made to overcome informalities enumerated in the Office Action. Reconsideration of the application based on the above amendments and the following remarks is respectfully requested.

The Office Action, on page 2, objects to the specification for lacking section headings. Applicants respectfully submit that section headings are not required. In an effort, however, to expedite further prosecution of the application, Applicants amend the specification by adding appropriate section headings.

The Office Action, on page 2, rejects claims 1-10 under 35 U.S.C. §112, second paragraph as being indefinite. Specifically, a number of features recited in at least claims 1, 3 and 7 are indicated as being indefinite and/or lacking antecedent basis. Claims 1-10 are amended to obviate the rejections of the recited subject matter under 35 U.S.C. §112, second paragraph.

Accordingly, reconsideration and withdrawal of the rejections of claims 1-10 under 35 U.S.C. §112, second paragraph as being indefinite are respectfully requested.

The Office Action, on page 2, indicates that claims 1-10 would be allowable if rewritten or amended to overcome the rejections under 35 U.S.C. §112, second paragraph as set forth in the Office Action.

In view of the foregoing, Applicants respectfully submit that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-10 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact Applicants' undersigned representative at the telephone number set forth below.

Respectfully submitted,
